Maia Kapur, Fisheries Assessment Specialist

maia.kapur@noaa.gov

July 26, 2017

Education

MSc	University of Hawaii, Marine Biology	2016
BSc	University of California Berkeley, Environmental Science	2014

Employment History

Fisheries Research & Monitoring Division, Pacific Islands Fisheries Science Center, National Oceanic & Atmospheric Administration, *Fisheries Assessment Specialist* (Feb 2017-current)

- Stock assessment specialist.
- Data analyst.

Fisheries Research & Monitoring Division, Pacific Islands Fisheries Science Center, National Oceanic & Atmospheric Administration, *Fisheries Biosampling Associate* (May 2016-Feb 2017)

- Oracle database developer & manager.
- Statistical modeler.

Environmental Protection Agency, USA, *Research Assistant*, (Dec 2015- May 2016)

- Graduate resesarch scientist
- spatial watershed-to-reef conservation prioritization model, statistical summaries of fish surveys.

Hawaii Conservation Alliance, HI, *Geospatial Data Librarian*, (Nov 2015- Aug 2016)

- ArcGIS Online database manager
- compliance adherence & metadata compilation for terrestrial and marine conservation web GIS.

United States Geological Society, Hawaii, *Research Assistant*, (Aug 2014- Dec 2015)

- Graduate resesarch scientist
- develop and test spatial reef fishery dynamics model for Main Hawaiian Islands.

Publications

First-author:

Kapur, M. R., Franklin, E.C. 2017. *Simulating future climate impacts on tropical fisheries: are contemporary spatial fishery management strategies sufficient?** Canadian Journal of Fisheries and Aquatic Sciences (in press). 00: 00-00. DOI: 10.1139/cjfas-2016-0200 *This work was included in a special edition on spatial simulation modeling in fisheries.

Papers Submitted for Peer Review:

Taylor, B.T., Brandl, S., **Kapur, M.R.**, Johnson, G., Robbins, W., Huveneers, C., Renaud, W., Choat, J.H. 2017. *Bottom-up processes mediated by habitat disturbance drive demographic traits of coral-reef fishes.* Ecology (in review).

Working Papers:

Kapur, M.R., Brodziak, J. A., Fletcher, E. J., Yau, A. J. 2017. *Summary of Life History and Stock Assessment Results for Pacific Blue Marlin, Western and Central North Pacific Striped Marlin, and North Pacific Swordfish.* International Scientific Committee for Tuna and Tuna-like Species in the North Pacific Ocean. Keelung, Taiwan. URL not yet available.

Sculley, M. S., Brodziak, J. A., Yau, A. J., **Kapur, M.R.**. *An Exploratory Analysis of Trends in Swordfish (Xiphias gladius) Length Composition Data from the Hawaiian Longline Fishery.* Pacific Islands Fisheries Science Center, PIFSC Working Paper, WP-17-002, 48 p. Available at: https://doi.org/10.7289/V5/WP-PIFSC-17-002.

Invited Lectures and Conference Presentations

Center for the Advancement of Population Assessment and Modeling, *TBD.* Miami, FL (Nov 2017)
International Coral Reef Symposium, *Testing Spatial Harvest Strategies for Hawaiian Coral Reefs: A Biophysical, Metacommunity approach* . Honolulu, HI (June 2016).
Graduate Climate Conference, *A Decision-Support tool for Hawaiian Reefs under Climate Change.* Woods Hole, MA (Nov 2015).
Island Futures Conference, *Testing Spatial Harvest Strategies for Hawaiian Coral Reefs: A Biophysical, Metacommunity approach.* Honolulu, HI (August 2015).

Awards and Fellowships

Graduate Assistantship,Environmental Protection Agency (2016) - $26,250 per annum
Garduate Assistantship, United States Geological Survey (August 2014 - Dec 2016) - $26,250 per annum
Scholarship, American Geophysical Union Early Carrer Scientist Travel Grant (February 2016) - Declined invitation because of prior engagements
Scholarship, Travel Grant, MIT-Woods Hole Graduate Climate Conference (November 2015) - $300
Dean's List, University of California at Berkeley (2010)

Computer Skills

R, Stan, JAGS, git, SQL, Arc, Oracle, LaTeX, MS Office
